

## YMCA FIT Recertification — Continuing Education Program — Credit Equivalency

### Fitness Instructor Training (FIT) program recertification:

Sixteen hours every two years

A minimum of six hours must be taken with the YMCAs of Québec

One hour = one YMCAs of Québec credit

The content of the continuing education program contributes to further developing the knowledge, skills, and abilities of private trainers and group course instructors. The YMCAs of Québec recognize the numerous specialties that exist in the fitness field. Below you will find a list of the most common continuing education topics. If you took a course that does not appear in the list below and you think it is relevant for your training, please contact us to confirm.
